

Shore Lodge
MECALL, IDAHO

They say breakfast is the single most important meal of the day. We know you know better.

That's why we've redesigned our dining experiences to work around your clock. Because important morning meetings happen, and important dinner deals happen too. And business doesn't just call it a day when you get hungry - neither does good taste or cravings for fine foods.

So while you're seizing the moment or tackling the day, or night, why not multi-task in style and truly take care of business... Not just over a handshake, but over a finely prepared meal at any one of our three signature restaurants.

The Cutwater on Payette Lake

In one word: Vibrant. In a few: At The Cutwater on Payette Lake we have reconceptualized what a breakfast, lunch or dinner meeting looks like. We now feature indoor/outdoor seating and mystic views of Payette Lake, an exotic 2,000-gallon saltwater aquarium, and a one-of-a-kind analog game room with classic throwbacks such as Shuffleboard, Foosball and Skee-ball. So come prepared, not just to take notes, because there is plenty to feast your eyes on.

The Narrows Steakhouse

Invite a prospect, a partner, or host your corporate meeting at Idaho's definitive steakhouse and you'll have everyone on board and believing that you know how to get things done, the right way. Serving the finest foods and drinks, a dining experience at The Narrows Steakhouse provides an ambiance of refinement rarely found, and serves as a testament to your unique sophistication and style.

The Bar

At The Bar we don't serve drinks, much less bar bites. Rather, we handcraft the finest spirits and serve the most delectable provisions in the Pacific Northwest. We also open as of 3pm and are the ideal setting for large networking events, or even smaller and more intimate meets. If you want a scenic venue with flexible seating and hours, we are as versatile as your days are. Because we understand that meetings can happen at any time of day or night, and sometimes dining tables just get in the way.

Select 2018 fall and winter meeting dates are still available. To discover all that Shore Lodge can offer to help you host your best corporate event, call **208.630.0231** or visit **ShoreLodge.com/meetings**.
