

Shore Lodge
MECALL, IDAHO

You're not here to be average...

Neither are we... so let us tell you how our numbers add up: 77 unrivaled guests suites, 13 individual meeting spaces outfitted with leading-edge technologies, and one state-of-the-art theater housing 43 seats for impactful presentations. In short, we know how to command any room.

And while those are important factors when choosing your meeting locations, don't forget about what happens outside of the interior walls: 500+ miles for snowmobiling some of the best backcountry powder, over 300 inches for adrenaline-fueled ski sessions, and one epic outdoor hot tub for when you're ready to call it a day. In other words, endless adventures.

Book your next business event at Shore Lodge and be sure of one thing, it will be nothing short of exceptional.

**Sure, our figures look great on paper,
but they are even more impressive in person.**
